COMMEMORATIVE READING

His Journey's Just Begun

Don't think of him as gone away
His journey's just begun
Life holds so many facets
This earth is only one

Just think of him as resting
From the sorrows and the tears
In a place of warmth and comfort
Where there are no days and years.

Think of how he must be wishing
That we could know today
How nothing but our sadness
Can really pass away.

And think of him as living
In the hearts of those he touched...
For nothing loved is ever lost
And he was loved so much

COMMEMORATIVE READING

My Dear Brother

My dear brother now that you are gone
You're no longer here to share
The bond we had together -
A bond of love and care.
Yet, somehow something tells me
You are watching over me -
Now that from wordly cares
You are finally free.

I miss you so very much,
And my tears I cannot hide
Yet, within my heart, I feel
You are always by my side.
Life will never been the same
Yet, it comforts me to know
That one day we'll meet again.

COMMEMORATIVE READING

Missing you

Missing you my brother
You're the lovely brother
I've adored since I was small
And for the day you left us
Was the saddest time of all.

But all the memories that we shared
From when you were a boy.
Have only ever filled my heart
With happiness and joy

You grew up and proved to be
A man both fair and true.
And every day throughout my life
I will think of you.
