A decorative border on the left and right sides of the page, featuring vibrant Aboriginal art patterns. The patterns include concentric circles, wavy lines, and dotted textures in shades of orange, yellow, red, and white. The central text is set against a solid pink background.

## Prayer of Faith

We trust that beyond absence  
there is a presence.  
That beyond the pain  
there can be healing.  
That beyond the brokenness  
there can be wholeness.  
That beyond the anger  
there may be peace.  
That beyond the hurting  
there may be forgiveness.  
That beyond the silence  
there may be the word.  
That beyond the word  
there may be understanding.  
That through understanding  
there is love.
