VERSE

"A Successful Man"

Read by Les' Niece, Angela Dawson

This man is a success, who has lived well, laughed often and loved much; who has gained the respect of intelligent men and the love of children. Who has filled his niche and accomplished his task.

Who leaves the world better than he found it; who has never lacked appreciation of earth's beauty or failed to express it. Who looked for the best in others and gave the best he had.

POEM

"Our Kids" by Les Smith (Snr)

Read by Les' Niece, Nighean O'Brien

When day is done --- when rests the sun

We give thanks to those concerned

Our worries cease --- we are at peace

With the rest our minds have earned

With mother's hugs --- no want of drugs

Just love and attention too

And a kind word --- too seldom heard

And sometimes long overdue

And now at last --- the die's been cast

We know what we've achieved

To see our kids --- not on the skids

Our tensions are relieved

And because our sons --- are thoughtful ones

Our daughter's thoughtful too

We sure are blessed --- our kids the best

But this we always knew.
