POEM

" Miss me, but let me go"

When I come to the end of the road
And the sun has set for me
I want not rites in a gloom filled room
Why cry for a soul set free
Miss me a little, but not for long
And not with your head bowed low
Remember the love that we once shared
Miss me, but let me go
For this is a journey we all must take
And each must go alone
It's all part of the grand plan
A step on the road to home
When you are lonely and sick of heart
Go to the friends we know
And bury your sorrows in doing good deeds
Miss me, but let me go.

POEM
"God's Garden"

God looked around his garden and found an empty space
He then looked down upon earth and saw your loving face
He put his arms around you and lifted you to rest
His garden must be beautiful, he always takes the best
He knew that you were suffering
He knew you were in pain
And knew that you would never get well on earth again
He saw your path was difficult, he closed your tired eyes
He whispered to you "Peace be thine" and gave you wings to fly
When we saw you sleeping so calm and free of pain
We could not wish you back to earth to suffer once again
You left us precious memories
Your love will be our guide
And though we cannot see you, you're always by our side
It broke our hearts to lose you, but you did not go alone
For part of us went with you on the day God called you home
